Hi Julie,

In an effort to spend as much of my A2A funding as possible, I'm awarding a little bit extra to the contractors who have requested additional funding. I was hoping to be able to have these out by the end of May so I could add it to their June payment, but I see that you're in meetings until the end of May. Is there any way this is possible? If so, I've attached all but one of the contract award notices with increases marked, and I will send the last one when it comes in (should hopefully be later today or tomorrow AM).

Thanks,

Emily Kraft

Item 2.1.3 c of the RFP portion of the contract indicates that any adjustments to the allocation of funds shall be accomplished via contract amendment.

Therefore, the contract is being amended to allow for the additional funds.
